

POWERFUL YOUNG PROJECT (PYP)

CHILDREN'S DAY

REPORT

AN INITIATIVE OF HC NATURE'S ENTERPRISE

INTRODUCTION

The Powerful Young Project (PYP) Children's Day event was held on the 28th of May, 2017 at Christian Council School, W Close, 5th Avenue, Festac Town, Lagos, Nigeria. The event started at 2pm and ended at 6pm with a total of 100 PYP students in attendance participating in the event.

ABOUT THE EVENT

It was tagged: **Let's Have Fun Giving Back**; and the theme was: "**Keep Our Environment Clean**".

The event was planned in a bid to achieve one of the objectives of the PYP; to inculcate in kids, a sense of social responsibility. We believe that a clean environment is essential for a healthy community which extends to a better world to live in. As a follow up on their previous lessons, a short lecture was taught on the importance of the environment, thereafter the kids led by facilitators split into groups and proceeded to clean up their environment; the Christian Council School and the surrounding street.

The event was organized in such a way that the students first work and then play. After work done, they had a relaxing experience with the rest of the planned activities which included:

- Special presentations and Games
- Movie show: Boss Baby
- Refreshments and handing out of Gifts

At the end, each PYP student received a gift pack which contained:

- Current Affairs book
- Brighter grammar book 1&2
- A dictionary
- A mathematical set
- A pen
- A Pencil
- Confectionaries
