INTRODUCTION

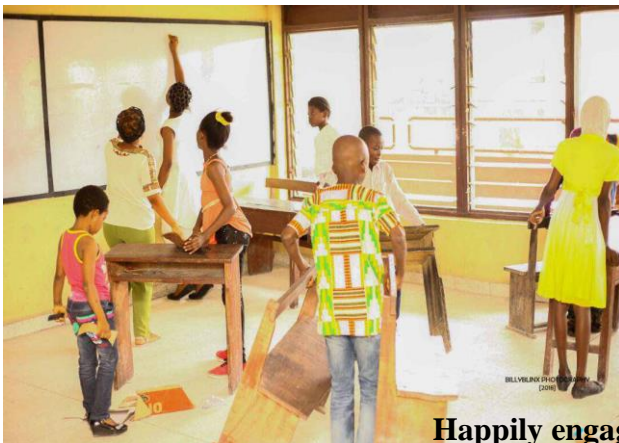

The Powerful Young Project (PYP) Children’s Day event was held on the 29th of May, 2018 at Christian Council School, W Close, 5th Avenue, Festac Town, Lagos, Nigeria. The event started at 1pm and ended at 6pm with a total of about 130 students in attendance.

ABOUT THE EVENT

It was tagged: *Let’s Have Fun Giving Back* with the kids engaging in social responsibility while having a fun time with various activities.

Social Responsibility

In line with teaching the children about social responsibility and the need to make an impact in their environment, the kids first cleaned the venue that was to be used for the event, as a way to give back to Christian Council School for providing their school for PYP lessons. The cleaning involved sweeping the school premises, cleaning the tables and chairs, cleaning the boards and arranging the classrooms in the school under the supervision of the PYP teachers.

Happily engaged in cleaning

Afterwards, the kids designed mugs with positive messages to be delivered to mothers at the Mother and Child Care Hospital at First Gate, Festac Town. Some of these designs include: “You are the best! Welcome Baby! Beautiful Baby!”, etc. The purpose was to reiterate the importance of caring for others and teach them positive affirmations not only for themselves but for others.

Designing mugs for mother and child

Activities/ Games

Various activities included spelling bee, math competition, trivia as well as physical activities such as treasure hunt, lime and spoon, track and field games, etc. were carried out after this.

Everyone enjoying the different games

Kids participating in quizzes and competition

The movie “The Croods” was chosen for the kids to watch and it was an exciting time as all eyes were glued to screen with intermittent outburst of laughter while mouths and hands moved in sync to the popcorn made available.

Movie has always been a PYP culture to give our students the opportunity to have a cinematic experience while learning.

Gift packs and snacks

Thanks to the generosity of our sponsors, the children enjoyed snacks and a celebration cake. Finally gift packs comprising of the list below was shared to all PYP students in attendance at the end of the event.

- Current Affairs book
- Brighter grammar book
- A dictionary
- A mathematical set
- Stationery
- Confectionaries

Showing gratitude to the sponsors of their gift packs

SPONSORS

The PYP Sponsors are all that have given of their time, money, strength and counsel in any PYP activity. They are those who believe in what PYP is doing and their belief has brought PYP to where it is today. Sixty sponsors rose up to build up a sense of responsibility in PYP kids on children's day and made the event a successful one. PYP team highly esteems these liberal people and holds them in great honour.

CONCLUSION

With a grateful heart we say thank you to all who have supported this project both financially and otherwise as you have decided to join us in the passion for creating a change in Nigeria. Thank you as God grants you increase in all your endeavours.
